

For our headquarters in Mönchengladbach we are looking for a
Aircraft Mechanic Manufacturing Technology (m/w/d)
for the Regional Aviation division and the ATR42/72 and DHC-8-402Q models

Rheinland Air Service GmbH (RAS) is a renowned maintenance and repair company specializing in prestigious airlines and business aviation aircraft. Around 400 professionals ensures a wide range of global services, consistently achieving the highest levels of customer satisfaction.

If you are looking for a diversified career in an exciting and international environment, then we are the right place for you. We are a well-attuned, aerodynamic team driven by our passion for aviation. **Come on board and start your career at RAS now!**

YOUR PROFILE:

- > Experience in converting and modifying aircraft for civil and/or military use
- > Skilled in performing structural repairs
- > Proficient in addressing and resolving structural complaints
- > Quality-focused and methodical work style
- > Exhibits reliability, diligence, and accuracy
- > Excellent communication and teamwork skills

JOB DESCRIPTION:

- > Material processing and handling
- > Replacement of defective structural components
- > Carrying out repairs and modifications per manufacturer instructions (SRM, SRI, SB, etc.)
- > Production of components following manufacturer specifications
- > Executing specific processes like "cold expansion of holes (FTI system)"
- > Handling and processing fastening materials
- > Maintaining complete and precise documentation

WE EXPECT:

- > Completed training as an aircraft mechanic with a specialization in production engineering
- > Strong knowledge in production engineering
- > Ability to work independently and efficiently
- > High motivation and strong work ethic
- > Proficient in both written and spoken German and English
- > Impeccable police clearance certificate for ZÜP clearance according to §7 LuftSiG

WE OFFER:

- > 30 days of vacation
- > A positive working environment with regular employee events
- > Opportunities for internal training and professional development
- > Employer-subsidized Foodji vending machines
- > Company health insurance coverage
- > 40€ VWL or 40€ contribution towards a company pension scheme
- > EGYM Wellpass membership for fitness and wellness
- > Free parking spaces, e-charging stations and bike leasing options
- > Pluxee Benefits Card available after the probationary period
