

We are currently looking for an
Aircraft Mechanic specializing in maintenance technology or manufacturing technology (m/w/d)

for immediate employment at our location in Saarbrücken in the Regional Aviation division

RAS SAAR, part of **Rheinland Air Service GmbH**, is an aviation maintenance and repair company for renowned airlines and business jets. Around 400 professionals ensure a wide range of global services, consistently achieving the highest levels of customer satisfaction.

If you are looking for a varied career in an exciting and international environment, you are in the right place with us! We are a well-attuned, aerodynamic team driven by our passion for aviation. **Come on board and start your career at RAS SAAR now!**

WHAT SETS YOU APART:

- > Completed training as an aircraft mechanic, specializing in maintenance technology or manufacturing technology
- > Quality-oriented and responsible work style
- > Good knowledge of MS Office
- > Very good German and English language skills

WE EXPECT:

- > High self-motivation and readiness to perform
- > Flexibility
- > Resilience
- > Reliability, attention to detail and precision
- > A police clearance certificate free of entries because the workplace is in the airport security area

YOUR MAIN TASKS:

- > Perform maintenance and repair work in base maintenance, including independent troubleshooting and defect repairs according to your qualifications
- > Responsible for carrying out your maintenance
- > Document the work steps you have completed
- > Conduct visual inspections, independently carry out troubleshooting, and interpret the relevant maintenance documentation

WE OFFER:

- > Family oriented and collegial working relationship in a small to medium sized enterprise
- > Opportunities for further training
- > Company pension plan and asset building benefits, with options for JobRad and SaarVV job ticket
- > Free parking at Saarbrücken Airport
- > Partnership banking
- > Bonus for successfully referring employees
