

For our headquarters in Mönchengladbach we are looking for a
Employee in the Safety & Compliance Team Part 145 & Part CAMO (m/w/d)

Rheinland Air Service GmbH (RAS) is a renowned maintenance and repair company specializing in prestigious airlines and business aviation aircraft. Around 400 professionals ensure a wide range of global services, consistently achieving the highest levels of customer satisfaction.

If you are looking for a diversified career in an exciting and international environment, then we are the right place for you. We are a well-attuned, aerodynamic team driven by our passion for aviation. **Come on board and start your career at RAS now!**

WHAT SETS YOU APART:

- > You work meticulously and are characterized by a structured approach to your work
- > You are a reliable team player
- > You are absolutely trustworthy and embody a service-oriented mindset for our employees, customers, and partners
- > You work on time, proactively, and independently
- > You have strong communication skills and possess social competence
- > You impress with your confident and friendly demeanor

YOUR MAIN TASKS:

- > Management of technical personnel files and internal permissions for technical staff
- > You are the point of contact for department and subject area managers regarding training planning
- > You are responsible for the planning, organization, and partial execution of internal briefings and training sessions
- > You work with national and international authorities
- > With your skills, you support the creation and revision of manuals, optimize internal processes in quality assurance, and assist operational departments in complying with regulatory requirements

WE EXPECT:

- > Completed technical degree or completed training in the field of aviation (aircraft mechanic / avionics technician / CAT B1/2)
- > Several years of professional experience in aircraft technology, preferably in quality assurance with a focus on CM in Part 145/CAMO
- > English language skills in writing and speaking at least B1 level
- > Further training as a Quality Management Representative (QMB) / Quality Manager (QM) is an advantage
- > Additional qualification as an auditor is an advantage
- > Knowledge of relevant national, European, and international aviation regulations will facilitate your entry into the field
- > Additional languages (German, French, Spanish, Italian, Russian) are an advantage

WE OFFER:

- > 30 days of vacation
- > A positive working environment with regular employee events
- > Opportunities for internal training and professional development
- > Employer-subsidized Foodji vending machines
- > Company health insurance coverage
- > 40€ VWL or 40€ contribution towards a company pension plan
- > EGYM Wellpass membership for fitness and wellness
- > Free parking spaces, e-charging stations and bike leasing options
- > Pluxee Benefits Card available after the probationary period
