We are looking for a driver for immediate employment at Weeze Airport

Driver as aircraft refueler (m/f/d)

Rheinland Air Service GmbH (RAS) is an aviation maintenance and repair company for well-known airlines and business jets. Around 400 employees of the RAS group of companies characterize our global range of services and ensure the highest level of customer satisfaction.

If you are looking for a varied career in an exciting and international environment, then you have come to the right place! We are a well-coordinated crew and our hearts beat for aviation. Come on board and start your career with us! Career changers are also welcome!

WHAT SETS YOU APPART:

› Completed training in a technical profession or in the automotive trade is an advantage
› Driving license class 2/C/CE (ADR license and '95 is not required)
› Impeccable reputation as a basis for initiating the background check according to §7 LuftSiG

WE EXPECT:

› Insensitivity to mineral oils and related substances
› Customer-oriented behavior and ability to work in a team
› High level of safety and responsibility awareness
› Stress tolerance and physical resilience
› Good written and spoken German and English skills

YOUR MAIN TASKS:

› Carrying out the refueling service in shifts
› Quantity and quality checks of stocks and outsourced aviation fuels
› Preparation of refueling delivery bills, quality and maintenance certificates
› Maintenance and care of systems, vehicles and equipment

WE OFFER:

› 30 days vacation
› Good working atmosphere with regular employee events
› Participation in training and further education measures
› Foodji vending machines incl. employer subsidy
› Company health insurance
› 40€ VWL or 40€ subsidy for company pension scheme
› EGYM wellness pass
› Free parking spaces, e-charging stations and bike rental
› Pluxee Benefits Card after the probationary period

Please send your complete and informative application documents stating your salary expectations and your earliest possible starting date to Gerry Gräfe: bewerbung@ras.de
