

We are hiring a
Technical Planning Employee (m/f/d)
for immediate employment at our location in Saarbrücken

RAS SAAR is an aviation maintenance and repair company for renowned airlines and business jets. With around 400 professionals, the RAS Group delivers world-class service, ensuring maximum customer satisfaction.

If you are looking for a dynamic career in an exciting and international environment, you've found the right place! We are a tight-knit crew passionate about aviation. **Join us and take your career to new heights!**

WHAT SETS YOU APART:

- > Completed technical training, e.g. as an aircraft mechanic or comparable with experience in the repair of aircraft components
- > Several years of professional experience in the aviation sector
- > Very good German and English skills
- > Good knowledge of AMOS and MS Office

YOUR MAIN TASKS:

- > Creation of work orders and creation and maintenance of work plans and material master data
- > Support in the creation and modification of production orders
- > Development and modification of task cards and checklists
- > Adaptation of maintenance programs according to specifications
- > Processing maintenance documents
- > Planning, organizing and managing approvals for modifications and repairs

WE EXPECT:

- > Reliability, resilience and flexibility - you keep an overview even under pressure
- > Ability to work in a team and strong communication skills paired with high self-motivation
- > Very good written and spoken German and English skills
- > A police clearance certificate free of entries

WE OFFER:

- > A friendly and collaborative work environment in a small-to-medium-sized enterprise
- > A varied role with opportunities for personal responsibility and creativity
- > Professional development opportunities
- > Company pension plan and asset building benefits
- > Access to a job bike program and a SaarVV public transport ticket
- > Free parking at Saarbrücken Airport
- > Partnership banking
