

We are looking for a  
**Project Manager Aviation (m/f/d)**  
for immediate employment at our location in Saarbrücken in the Regional Aviation division

**RAS SAAR** is an aviation maintenance and repair company for renowned airlines and business jets. With around 400 professionals, the RAS Group delivers world-class service ensuring maximum customer satisfaction.

If you are looking for a diverse career in an exciting and international environment, you've come to the right place! We are a well-coordinated crew, passionate about aviation. **Join us and take your career to new heights!**

## WHAT SETS YOU APART:

---

- › Completed vocational training in a technical profession or equivalent
- › Knowledge and experience in aircraft maintenance is an advantage
- › Several years of experience in project planning as well as in personnel management
- › Very good German and English skills both spoken and written, as well as proficiency in MS Office

## WE EXPECT:

---

- › Strong knowledge of maintenance procedures, regulatory compliance, and airworthiness requirements
- › Ability to plan, coordinate, and execute maintenance projects while managing airline operators efficiency
- › Experience in budgeting, cost tracking, and optimizing maintenance spending while ensuring operational efficiency
- › Strong analytical skills to address maintenance challenges, minimize downtime, and improve turnaround time
- › Proficiency with MRO software (AMOS, TRAX), data analysis, and continuous improvement methodologies (Lean, Six Sigma)

## YOUR MAIN TASKS:

---

- › Plan and oversee aircraft maintenance projects to ensure on-time delivery, budget adherence, and regulatory compliance
- › Coordinate cross-functional teams
- › Manage costs and financial reporting by tracking project expenses, optimizing resource allocation, and negotiating contracts with stakeholders
- › Identify and mitigate risks related to delays, technical findings, and supply chain challenges to ensure efficient maintenance execution
- › Drive process improvements by analyzing performance data, implementing best practices, and enhancing operational efficiency

## WE OFFER:

---

- › Family-like and collegial working environment in a small, medium-sized company
- › Varied tasks with room for personal responsibility and your own ideas
- › Opportunities for further training
- › Company pension scheme and capital-forming benefits
- › Free parking at Saarbrücken Airport
- › Option for a job bike and SaarVV job ticket
- › Partnership banking
