Cabin Refurbishment: Floor Mat & Floor Heating

For passengers and operators requiring cabin comfort and durability.

RAS-Made Floor Mat

- Improved-fit floor mat designed for enhanced durability and long-term performance
- Manufactured from a more robust material compared to the original mat
- Maintains its shape over time with no curling or deformation
- Designed for fast and straightforward installation

Approved For

- HondaJet Classic
- HondaJet APMG
- HondaJet Elite / Elite S / Elite II

Floor Heating System (LiteHeat™) - a brand of Villinger GmbH

- Homogeneous infrared cabin heating that is invisible and silent
- Provides uniform heating throughout the cabin and cockpit
- Ultra-thin, lightweight heating technology
- Installed invisibly beneath the carpet
- Quick and easy installation
- Proven in CS-25 aircraft heating applications

Approved For

- Piper® PA-46 M series (EASA / FAA certified)
- Daher® TBM series (certification in progress)
- Pilatus® PC-12 series (certification in progress)
